U.S. BANK NATIONAL ASSOCIATION,

Case No. 2:19-cv-00424-JAD-EJY

Plaintiff,

v.

ORDER

NORTH AMERICAN TITLE INSURANCE
COMPANY,

Defendant.

Pending before the Court are three Motions seeking identical relief. In ECF Nos. 68, 71, and 74, Plaintiff seeks to seal Exhibits O and P attached to its: (1) Response to Defendant's Motion for Leave to File Opposition to Partial Summary Judgment and Countermotion Under Seal (ECF No. 46); (2) Reply in Support of Motion for Partial Summary Judgment (ECF No. 38); and (3) Opposition to Defendant's Countermotion for Partial Summary Judgment (ECF No. 53). Plaintiff makes identical arguments in each Motion. Further, Plaintiff's arguments, more fully developed, were carefully considered and discussed in the Court's Order at ECF No. 77. In that Order, the Court found Exhibits O and P were properly sealed as containing proprietary and confidential business information belonging to Defendant. *Id.* at 8. Specifically, the Court stated Defendant's request to seal the document filed as Exhibits O and P "satisfies the compelling reason standard for sealing documents. The declarations and testimony in support of sealing states that the bulletins comprise confidential and proprietary information belonging to Defendant constituting business information about Defendant's business practices, which is not publicly available or publicly disclosed. Defendant indicates that disclosure of this information could result in an unfair competitive advantage to its competitors. The information is maintained by Defendant in a sufficiently confidential manner to support sealing. The Court does not decide whether the information is trade secret or maintained in a manner that would qualify the bulletins as trade secrets." *Id.*
